

## **Infant Daily Schedule**

The infant schedule will follow the individual needs of your child's eating and resting patterns. Each schedule will be modified by your child's state of development and their needs. Below is a general list of activities to illustrate a typical day at Children's Discovery Academy.

### **Motor Development**

#### **Large Muscle:**

Classroom Climber  
Gross Motor Materials  
Large Muscle Room Toys  
Outdoor Equipment

#### **Small Muscle:**

Manipulative Toys (rattles, balls, busy box, pop beads, sand/water toys etc.)  
Cognitive Toys (shape box, stacking rings, blocks etc.)

### **Language Development**

Children will have use of equipment which will promote talking & listening.

Music  
Hard & Soft Blocks  
Pictures  
Mirrors  
Stuffed Animals  
Musical Toys

### **Social/Emotional Development**

This will be emphasized in all areas of the classroom.

### **Non-Mobile Area**

This area is designed to provide a safe environment for non-mobile children while they're involved in independent discovery time. This will include time in swings, under mobiles, in front of the mirror or quiet time with a teacher in a rocking chair.
